

GATEWAY DEVELOPMENT COMMISSION

Notice of Shortlisted Teams

Date: August 11, 2023

RFQ #: GDC23-003

Today, the Gateway Development Commission (GDC) identified a shortlist of qualified teams who will receive an invitation to submit a proposal in response to a Request for Proposals (RFP) for a design-build contractor that will perform final design, construction, and other related work for the **Hudson River Ground Stabilization** Project, which is a key element of the Gateway Program.

Shortlisted teams include Weeks Marine, Inc., Walsh – Traylor Bros. JV, and Cashman – Trevi Icos JV.

The shortlisted teams are among those that submitted a Statement of Qualifications (SOQ) in the month of July in response to a Request for Qualifications (RFQ) issued by GDC.
