Re: **New Recipient Eligibility for Federal Transit Administration Funding**

Dear Mr. Kolluri:

This letter serves as the Federal Transit Administration's (FTA) official designation of the Gateway Development Commission as an eligible recipient of Federal funding.

FTA has completed its review of the Gateway Development Commission's "New Recipient Package," and finds that your organization meets the Federal requirements to receive funding from FTA. FTA has established accounts for the Gateway Development Commission in our primary grants and financial systems, the Transit Award Management System (TrAMS) and the Electronic Clearing House Operation (ECHO), with the characteristics identified below.

Legal Business Name: Gateway Development Commission

Acronym: GDC

TrAMS Recipient Identification Number: [REDACTED]

I greatly appreciate your time and coordination in completing the process required to become an FTA recipient. We look forward to working with the Gateway Development Commission to improve public transportation for America's communities.

Congratulations on reaching this significant milestone, and please do not hesitate to contact me if you have any questions.

Sincerely,

Michael L. Culotta
Acting Regional Administrator
