

## CONSTRUCTION NOTICE

**WHAT:** New Landscaping and Additional Parking for the Shades Neighborhood  
**WHERE:** W. 18th Street, Weehawken  
**WHEN:** September 15—November 1, 2025  
Monday through Friday, 7:00 am to 3:30 pm

Following the successful completion of the noise barrier, Schiavone Dragados Lane Joint Venture (SLDJV) will be making improvements to the south side of W. 18<sup>th</sup> Street including **nine (9) new parking spots, concrete curb replacement, new top soil, trees and greenery.**

### What to Expect:

- W. 18<sup>th</sup> Street will remain open, though there may be temporary inconveniences while crews are working (e.g. the temporary protective barriers along W. 18<sup>th</sup> Street may be shifted slightly at times to make space for essential work).
- To realize these community improvements, construction vehicles may occasionally use local roads to deliver equipment and supplies.
- Some noise during construction hours.

Thank you for your continued patience!

### Questions or Concerns?

24/7 Hotline: 1-800-444-1050

Email: [PalisadesTunnel@gatewayprogram.org](mailto:PalisadesTunnel@gatewayprogram.org)

General Project Overview – The Palisades Tunnel Project will use tunnel boring machines (TBMs) to excavate two parallel tunnels—measuring approximately 5,100 feet long with an inside diameter of 25 feet—through the rock formations of the Palisades. The project also involves building the new Hudson County Shaft, which will be used to remove the TBMs when digging is complete. The project contractor is Schiavone Dragados Lane Joint Venture (SLDJV).
