**Gateway Development Commission, Amtrak, and Related Companies
Joint Statement on Incident at HYCC-3 Construction Site**

“The Gateway Development Commission, Amtrak, and Related Companies extend our profound condolences to the family of the worker who suffered a fatal injury on the Hudson Yards Concrete Casing project today. Our thoughts are with his loved ones during this difficult time.

The deceased was an employee of the New York Concrete Corporation. We thank all the first responders for their immediate and thorough efforts.

All work is suspended on the HYCC-3 site while the incident is under investigation.

A component of the Hudson Tunnel Project, HYCC-3 is jointly delivered by Amtrak, Related Companies, and GDC.”
