

CONSTRUCTION NOTICE

- WHAT:** Temporary Parking Restriction
- WHERE:** Paterson Plank Road, North Bergen
(above Portal Construction Site)
- WHEN:** Monday, December 15—Friday, December 19
7:00 AM to 5:00 PM Daily

To facilitate repairs following a recent watermain break under Paterson Plank Road, SLDJV will be working along the west side of Paterson Plank Road. To keep two-way directional traffic flowing, daytime on-street parking will be restricted in the area indicated below.

Questions or Concerns?

24/7 Hotline: 1-800-444-1050

Email: PalisadesTunnel@gatewayprogram.org

General Project Overview – The Palisades Tunnel Project will use tunnel boring machines (TBMs) to excavate two parallel tunnels—measuring approximately 5,100 feet long with an inside diameter of 25 feet—through the rock formations of the Palisades. The project also involves building the new Hudson County Shaft, which will be used to remove the TBMs when digging is complete. The project contractor is Schiavone Dragados Lane Joint Venture (SLDJV).
