**GATEWAY DEVELOPMENT COMMISSION STATEMENT ON NEW YORK, NEW  
JERSEY'S HUDSON TUNNEL PROJECT LAWSUIT HEARING**

GDC is pleased with the court's decision today. We thank our partners in New York and New Jersey for taking action to help us access the federal funding for the Hudson Tunnel Project. We are hopeful this means funding disbursements will resume soon, and we can restart site operations and get our workers back on the job.

*The Gateway Program is the most urgent infrastructure program in the country – a comprehensive set of rail investments that will improve commuter and intercity services, add needed resiliency, and create new capacity for the busiest section of the Northeast Corridor (NEC). The NEC is the most heavily used passenger rail line in the country hosting more than 2,200 train movements and 800,000 passenger trips daily.*
