#0326-02: AUTHORIZATION OF AWARD OF CONTRACTS GDC-26-031A-OP and GDC-26-031B-OP FOR INTEGRITY MONITORING SERVICES TO SUPPORT THE HUDSON TUNNEL PROJECT

To help ensure the functionality of intercity and commuter rail infrastructure between the State of New Jersey (“**New Jersey**”) and the State of New York (“**New York**”) and throughout the Northeast Corridor (the “**NEC**”), New Jersey and New York created the Gateway Development Commission (“**GDC**”) through the enactment of parallel legislation by each state codified as the Gateway Development Commission Act (2019 N.Y. Laws, Ch. 108 and N.J.S.A. 32:36-1, et seq.) (collectively, the “**GDC Act**”).

The GDC Act empowers the Commission to "enter into, execute and deliver contracts and agreements and other documents and instruments as may be necessary or appropriate to carry out any power of the Commission under this act and to otherwise accomplish any lawful purpose which the commissioners determine will Facilitate the Project, including, without limitation, with the federal government, the state of New Jersey, any local government thereof, the state of New York, with any local government thereof, with any agency, instrumentality, department, commission or authority of any one or more of the foregoing, any bi-state agency, Amtrak, any individual or private firm, entity or corporation, or with any one or more of them." 2019 N.Y. Section 3.06 of the GDC Bylaws provides that “[t]he Board may delegate in whole or in part any power, authority, discretion or obligation to any Officer, in each case to the extent to which the Board deems appropriate.”

In July 2025, a federally-compliant Request for Proposals (“**RFP**”) No. GDC-25-031-OP was issued by GDC soliciting proposals from entities interested in providing integrity monitoring services (“**Services**”) to support the Hudson Tunnel Project (“**HTP**”). Proposals were received from sixteen (16) responsive firms which were reviewed by an evaluation panel consisting of representatives from the GDC Office of the Inspector General, Legal, Finance and Procurement Departments collectively, (“**Evaluation Panel**”). The Evaluation Panel recommended seven (7) firms to be invited for oral presentations. Thereafter, GDC undertook the negotiation of terms and conditions, insurance, and price with four (4) firms, and the Evaluation Panel recommended two (2) firms for award. Both recommended firms were found responsive and responsible. The initial terms of Contracts GDC-26-033A-OP, and GDC-26-033B-OP are five (5) years ending in 2031 (“**Base Term**”), and thereafter, GDC has the option to extend their term for up to three (3) additional (1) year periods which, if elected, will end the term in 2034 (“**Option Years**”).
