

CONSTRUCTION NOTICE

- WHAT:** Overnight lane closures for utility trenching
- WHERE:** 12th Avenue between W. 29th Street and W. 30th Street
- WHEN:** Ongoing nightly from 11:00 PM to 5:00 AM, through **approximately June 19, 2026**

As of early June, GDC's contractor is implementing overnight lane closures on 12th Avenue between W. 29th Street and W. 30th Street to finish utility trenching work that was started in late 2025.

Two lanes have been closed at a time, beginning with the easternmost northbound traffic lanes on 12th Avenue and shifting westward. Each phase of overnight closures is being instituted from 11:00 PM to 5:00 AM for approximately two weeks. **Traffic continues to flow in both directions at all times during these overnight operations.** In order to minimize disruptions, GDC's contractor is using low-noise equipment to complete the work and noise monitoring is in place to ensure activities are within the allowable limits.
